

Leoni Cable Solutions in Roth: Leoni Junior Group spreads Christmas cheer – and seeks young talent

Roth, December 2025 – Leoni Kabel GmbH in Roth, headquarters of Leoni Cable Solutions, spread some joy in the pre-Christmas period. With its wish list campaign for children and a successful stand at the Roth Christmas market, the Leoni Junior Group demonstrated the importance of team spirit and social commitment.

These values also shape training at Leoni Cable Solutions: exciting professions, international perspectives, and real career opportunities. There are still training places available for 2026 – apply now and become part of a leading manufacturer of vehicle cables.

Leoni Cable Solutions in Roth: Leoni Junior Group spreads Christmas cheer – and seeks young talents

The Christmas season is just around the corner, and at Leoni Kabel GmbH in Roth, the headquarters of Leoni Cable Solutions, it is traditionally heralded with special activities. The Leoni Junior Group, consisting of dedicated trainees and dual students, is organizing two projects close to its heart again this year:

The Wish List Campaign

The Wish List Campaign is an initiative of the Leoni Junior Group that aims to fulfill a Christmas wish for children from financially disadvantaged families in the region. Each child was allowed to hang a wish list on the Christmas tree in the “Factory of the Future.” Under the motto “Give joy!”, employees were able to choose wish lists from November 11 to December 1 and fulfill the Christmas wishes. The lovingly wrapped gifts were handed in to the Junior Group after the campaign period and delivered in time for Christmas.

The LCS stand at the Roth Christmas market

From November 27 to 30, the Leoni Junior Group was represented at the Roth Christmas market. Trainees and students raffled off handmade prizes that were created in cooperation with the Auhof and Regens Wagner Zell/Eibach facilities for people with disabilities. By purchasing a raffle ticket, visitors supported three regional charity projects:

- Regens Wagner Zell
- Auhof Hilpoltstein
- ASB Wünschewagen Franken-Oberpfalz

The Junior Group's stand was once again a resounding success this year. This is primarily because it demonstrates the importance of team spirit, responsibility, and social commitment.

Why choose an apprenticeship at Leoni LCS?

These values are also a top priority in the training program at Leoni Cable Solutions. Because at Leoni Cable Solutions in Roth, it is about much more than just a nine-to-five job. "Our trainees today are shaping the megatrends of tomorrow. It is important for us to offer our trainees a varied working day and to promote talent. We achieve this with intensive support, exciting joint projects, targeted further development, and a great deal of team spirit," explains Silke Gatt, Team Training & Dual Studies, describing training at LCS in Roth. We offer:

- A wide range of apprenticeships in commercial and technical fields
- Dual study programs for practical learning
- International perspectives through our global locations
- Attractive additional benefits such as exciting projects, regular joint excursions, further training opportunities, top remuneration in a company bound by collective agreements, a modern working environment, and much more

Start your future now and secure your place for 2026 – become part of our team and help shape the mobility of tomorrow with us.

Exciting apprenticeship positions are still available for 2026. Find out why you should choose an apprenticeship at Leoni Cable Solutions and how to apply on our website www.leonicables.com.
